Visit Arc Cinema this winter for a curated selection of films spanning genres, eras, and cultures—from acclaimed dramas and gripping thrillers to nostalgic favourites and award-winning blockbusters. Featuring works from the Asian Film Archive as part of their *Reciprocal* Program, this season explores identity, resilience, rebellion, and joy, celebrating cinema's most visionary filmmakers and actors.

We believe everyone deserves to enjoy film. Arc Cinema is fully wheelchair accessible and we offer specialised equipment for different accessibility needs. For more information, contact us at 02 6248 2000 or tickets@nfsa.gov.au.
